Naturum, Mariebergsskogen

Sundstabadet
The Klarälven River & Lake Vänern
Klarälven is one of the longest rivers in northern Europe winding 460 km from Härjedalen and then through Norway to Värmland and Karlstad. Karlstad was founded on the Klarälven delta where it snakes into Lake Vänern – the largest lake in Sweden and third largest in Europe with 22,000 islands. Many of these are in the archipelago outside Karlstad, Hammarö and Grums.

Water bus
You can take a ‘båtbussen’ as the locals call them, or a water bus to international visitors, to go shopping, or sightseeing. You can also take a trip to one of the islands of the Lake Vänern archipelago. June–August.

Walking is the best way to discover our beautiful nature and fascinating cultural landscape. A quality assured Värmlandsled (Värmland walking trail) has been checked and approved by the Association of Värmlandsleder. It satisfies all their quality criteria such as easy to follow trail markings. Bridges, footbridges and rest points are well-maintained. Signs are in Swedish, English and German.

Two of the quality assured trails are Kycklingleden, The Chicken Trail, that winds along Lake Vänern, through a rare hazel grove, up to the mountain, and down again through the unusual Chicken Dale. There is also Jäverön which is a large island in Lake Vänern. You can reach the island by ferry, water bus or by private boat. Jäverön offers numerous beautiful and varies nature experiences that are suitable for all ages.
